Petition dated the 19th Dec 1933 from three merchants of Tyrone stating that the Merchants Association, Tyrone have not framed any such rules or bylaws to conduct elections and request that in the cases set forth, the election already held may be set aside and a fresh election ordered to be held.

It appears Mr. N. L. Ramachandra Rao has been elected from the Merchants' Association to the municipal council and it has been accordingly notified (Flag B).

It is not clear what action can perhaps be taken on the present petition which points out the irregularity. If the petitioners feel any grievance, they may have the same redressed by applying to the District Court under Sec 20 of the Tyrone City Municipalities Act, 1933.

An endorsement will be issued accordingly if approved.

[In view of what is stated in the petition it is a point for consideration if it is not worth while to make an enquiry if no rules or bylaws have been framed by the Association as alleged so that the defect might be got remedied at least before the next election in 1936.
